Dear Art,

~~Australian~~ Patent Application No. 16579/83  
Our file: 25749

Attached is a copy of a report from Callinan together with a copy of the official letter.

Also attached is a copy of the claims as allowed in the corresponding European Application and you may think that if we can substitute these claims for the claims on file in Australia and obtain allowance that would be a satisfactory outcome.

I shall be glad of your instructions by 18th July.

Yours sincerely,

P.A. SMITH
